Meadowland Farmers Coop has completed the purchase of Wabasso Grain and Feed from Steve Fischer. Steve had indicated earlier this Fall that he was contemplating retirement and wondered if Meadowland would be interested in purchasing his business. Mike Trosen, GM of Meadowland said it was an easy decision for Meadowland's Board and Management to pursue the purchase of Wabasso Grain and Feed. *"Steve Fischer has built a very good business in Wabasso and the assets of Wabasso Grain and Feed fit well into the Meadowland business model."* according to Trosen. Meadowland Farmers Coop assumed operations January 3<sup>rd</sup>, 2020.
